Dear Ms. Mosby:

Additional discovery has been provided to you via USAfx, consisting of an interview summary of a victim and expected witness at the pending motion to modify bond conditions, an AID and response from Dr. Adio Abdu, and criminal history of potential witnesses for the hearing. They are produced pursuant to the protective order that was entered in this case. Please treat these documents as required by the order.

The United States is aware of its discovery obligations and will continue to update discovery with any new materials that it might receive.

Sincerely,
